PRESENTS

THE WRECKS OF LONG POINT The Lake Erie Graveyard

PRESENTED BY: JOHN VEBER

Many people know about the scenic golden sandy beaches of Long Point on Lake Erie. But not many know that the bottom of the lake at Long Point is a "ship graveyard" with 200+ wrecks around it. Now, renowned photographer and diver John Veber, will share his photographs and experiences of 50 years wreck diving in this "Great Lakes graveyard".
